

THE WARSAW UNIVERSITY OF TECHNOLOGY

**Decision No. 35/2023
of the Rector of the Warsaw University of Technology**

of 8 February 2023

on the announcement of the fourth edition of the Open Science programme as part of the implementation of the “Excellence Initiative – Research University” project at the Warsaw University of Technology

Pursuant to items 3a and 3b of the Regulations for the Open Science programme implemented at the Warsaw University of Technology as part of the implementation of the “Excellence Initiative – Research University” project, constituting an appendix to Decision No. 161/2020 of the PW Rector of 21 July 2020 on the launch of the Open Science programme as part of the implementation of the “Excellence Initiative – Research University” project, it is resolved as follows:

§ 1

1. We hereby announce the fourth edition of the Open Science programme, implemented at the Warsaw University of Technology as part of the implementation of the “Excellence Initiative – Research University” project.
2. The fourth edition of the Open Science programme shall be implemented under the principles specified in the Regulations, constituting an appendix to Decision No. 161/2020 of the PW Rector of 21 July 2020 on the launch of the Open Science programme as part of the implementation of the “Excellence Initiative – Research University” project.
3. Applications for funding in the fourth edition of the Open Science programme shall be submitted from 15 February 2023 until funds allocated for the given year are exhausted.

§ 2

This Decision enters into force upon signing.

RECTOR

Professor Krzysztof Zaremba, DSc
